

NJ Animal Rescues Need Fosters during Covid-19 Crisis

Most people are stuck at home right now so this could be the perfect time to help out local shelters and "foster" a cat or dog that is up for adoption. You would make a huge difference in the cat or dog's life by getting her/him adjusted to living in an actual home. And if you become a "foster fail" and decide to adopt the cat or dog for yourself, that is a good thing!
